

Waterloo Minor Soccer Club  
**Fee Assistance Policy**

**May 2020**

The Waterloo Minor Soccer Club facilitates the participation of youth in the game of soccer regardless of family income through the reduction of membership and program fees.

The Club acts to provide support to Waterloo residents when financial alternatives are unavailable. All residents should have an equal opportunity to access soccer programs and enjoy the many benefits that participation brings.

To help make this possible, the Club will provide financial assistance to qualified applicants for most soccer programs.

**Eligibility**

- Any Waterloo resident or resident of an adjacent area without soccer programming through a community Club whose family's financial situation might prohibit his/her participation in a WMSC soccer program.
- Fee Assistance is based on the total income of all members of your family and the number of people in your family.
- Applicants must apply to the City of Waterloo Fee Assistance Program prior to applying for fee assistance from WMSC.
- Priority for assistance is placed on those making a partial contribution to costs through the Leisure Access card or out-of-pocket payment.

**Details**

- Fee assistance is limited to the Club registration fee as well as the Club portion of Rep fees (if applicable). Travel expenses and other team expenses will not be covered.
- Fee assistance is limited to one program per year.
- Applicants who do not receive 100% fee assistance must pay the balance of the registration fees to guarantee registration in the program(s) requested. Payment must be received prior to the start of the program.
- Applicants being granted fee assistance by the Club are expected to complete a set number of volunteer hours at the Club as per the **Volunteer Hours Requirement table**.
